Active Assailant Program

Active Assailant is a premeditated malicious physical attack, by an active assailant who is armed with a hand-held weapon that causes direct physical loss and/or bodily injury or death.

ABOUT

The financial impact of an active assailant incident can be devastating to a business. Active Assailant coverage will help keep you in business during emotional and financial recovery.

WHY ACTIVE ASSAILANT INSURANCE?

An Active Assailant Insurance Policy is designed to address the impact of potential losses from an active assailant incident.

These losses may include, but are not limited to:

- Damage to your property
- Business Interruption
- Lack of ingress/ egress to your property/ premises
- Additional business recovery expenses
- Consultancy and public relations
- Relocation expenses
- Counseling
- Employee training
- Security
- Medical expense

PROGRAM SUMMARY

- Active Assailant security is provided by the MAP Syndicate and Amlin Syndicate at Lloyd's
- Rated A+ by S&P and A+ by A.M. Best
- Limits of Liability up to \$5 million are available

SUBMISSION REQUIREMENTS

- Schedule of Locations
- Parishioner/ Congregation numbers
- Revenues split by location (if revenue cover required)
- Security details including guards, weapons searches, response planning
- Details of any Active Assailant incidents in the past 20 years

Terrorism & Sabotage Program

Terrorism & Sabotage insurance as a standalone policy allows for more flexible, customizable coverage beyond the limitations of TRIA/TRIPRA.

SUMMARY

- Sabotage and Terrorism [LMA 3030]
- Business Interruption [LMA 5150; LMA 5042]
- Optional Coverage:
 - Nuclear, Chemical, Biological, Radiological [T3NCBR]
 - Terrorism Liability [T3L, T3LX]
 - \$50 million Total Capacity per location (higher limits available)

SAMPLE TARGET CLASSES OF BUSINESS

- Commercial Property
- Banking and Financial Offices
- Petroleum Distributors and Convenience Stores
- Power Industries and Manufacturers
- Contractors: Artisan and General Contractor
- Churches, Schools, Hospitals
- Energy Risks

SUBMISSION INFORMATION

- Location with schedule of values.
- Security details.
- Information on prior losses, threats, or incidents

PROGRAM ADVANTAGES

- TRIA requires a terrorist event to exceed \$5 million to qualify as a certified event.
- Our program does not need to be certified by the United States Government.
- We can carve out specific locations and offer different limits and deductible options to meet the needs of our clients.
- Our program coverage meets lender requirement.

Violent Malicious Acts Program

Violent Malicious Acts (VMA) Insurance insures a broadly defined Extra Expense for businesses that suffer an attack causing injury or death, regardless of any physical damage.

SUMMARY

Aside from the severe personal cost to the victims (which may include malicious injury or death), attacks can cause huge, unplanned disruption and expense.

If the business suffers a malicious attack that causes little or no physical damage, then property insurance may not respond and resultant costs will be uninsured. Liability, Terrorism and WCA may not respond either for these losses.

Expenses may include, but are not limited to:

- Extra Security Personnel
- Temporary alternative premises & transportation
- Trauma counseling for staff
- Expense may be required to secure replacements for dead or injured employees
- Potential loss of revenue if parishioners move elsewhere

TARGET CLASSES OF BUSINESS

- Energy Risks
- Banking and Financial Offices
- Petroleum Distributors & Convenience Stores
- Power Industries and Manufacturers
- Franchises
- Churches, Schools, Hospitals

SUBMISSION REQUIREMENTS

- Schedule of Locations
- Parishioner/ Congregation numbers
- Revenues split by location (if revenue cover required)
- Security details including guards, weapon searches, response planning
- Details of any Violent or Malicious Acts in the past 20 years
